“Because the study of the Middle Ages draws on multiple disciplines, these broad resources for essays and journal articles, searchable at the full-text level so users can find themes and details across subject areas, are especially valuable. This ease of access ensures that more scholarship may be scanned quickly, pertinent material put to use immediately, and further resources identified without delay. Summing Up: Highly recommended.”

M. C. Schaus, in: Choice, November 2013

Reviews on INDIVIDUAL TITLES INCLUDED IN BREPOLIS MISCELLANEA ONLINE

“Insgesamt bietet der Sammelband ein breites Spektrum an Studien zu Über- und Bearbeitungsintentionen hagiographischer Werke, zur Suche christlicher Mystiker nach der Nähe Gottes und zu mitfühlenden christlichen Blicken auf andere Religionen.”

Christoph Mauntel, in: Sehepunkte, 13 (2013), Nr 10 [15.10.2013].
Review of: Studies on Medieval Empathies, part of "Collection 2013"

“(… the decision to allow contributors to develop their arguments at length and to include abundant supporting data and illustrations is well justified.”

“This is a provocative, enjoyable book—each article is a gem.”
