The Yearbook of Langland Studies is the sole journal devoted to *Piers Plowman* studies. Since 1987, *YLS* has significantly shaped the expanding critical attention to the poem and its contexts. Each volume - including essays, debate, reviews, and annual annotated bibliography - offers access to the most significant and up-to-date scholarship on the poem and its literary, historical, codicological, and critical contexts.

The Yearbook of Langland Studies est la seule revue dédiée à l'étude du *Piers Plowman*. Depuis 1987, la *YLS* a déterminé de façon significative l'attention critique grandissante au poème et son contexte. Chaque volume – contenant des essais, des débats, des comptes rendus et une bibliographie annuelle annotée – donne accès à la recherche la plus importante et la plus avancée sur le poème et son contexte littéraire, historique, codicologique et critique.
