*Viator* publishes articles of distinction in any field of the Middle Ages and Renaissance, viewed broadly as the period between Late Antiquity and the mid-seventeenth century. In keeping with its title, the journal gives special consideration to

articles that wander across frontiers: articles that focus on meetings between cultures, that pursue an idea through the centuries, that employ the methods of different disciplines simultaneously. Articles must attain technical excellence while remaining accessible to the interested non-specialist.

*Viator* publie des articles de qualité dans tous les domaines du Moyen Âge et de la Renaissance, vus comme la période située entre l'Antiquité Tardive et le milieu du XVII<sup>e</sup> siècle. En accord avec son nom, la revue prend en compte des articles qui traversent les frontières : articles traitant de la rencontre des cultures, du suivi d'une idée au cours des siècles, et qui emploie simultanément des méthodes de disciplines différentes. Les articles doivent atteindre un niveau technique excellent tout en étant accessible au non-spécialiste averti.
