## Medieval and Renaissance Studies

Print ISSN: 0083-5897 - Online ISSN: 2031-0234

Founded by Lynn White, jr. (1907-1987)

(E) *Viator* publishes articles of distinction in any field of the Middle Ages and Renaissance, viewed broadly as the period between Late Antiquity and the mid-seventeenth century. In keeping with its title, the journal gives special consideration to articles that wander across frontiers: articles that focus on meetings between cultures, that pursue an idea through the centuries, that employ the methods of different disciplines simultaneously.

(F) *Viator* publie des articles de qualité dans tous les domaines du Moyen Âge et de la Renaissance, vus comme la période située entre l'Antiquité Tardive et le milieu du XVII<sup>e</sup> siècle. En accord avec son nom, la revue prend en compte des articles qui traversent les frontières : articles traitant de la rencontre des cultures, du suivi d'une idée au cours des siècles, et qui emploie simultanément des méthodes de disciplines différentes.
