The *Journal of Medieval Monastic Studies* seeks to fill a gap in current journal provision, offering a study of monasticism throughout medieval Europe. An annual publication of international, interdisciplinary, peer-reviewed articles on issues related to medieval monastic history, the journal includes scholarly contributions on monastic history, archaeology and architectural history, art history, literature, etc, as well as relevant book reviews and shorter notices. Great emphasis is placed on interdisciplinarity and internationality. The twenty members of the editorial board include experts in history, archaeology, art history and theology, covering all of medieval Europe. The language of publication is English, but abstracts in the original language of individual contributions may be included.

The Journal of Medieval Monastic Studies cherche à combler un vide dans les recherches actuelles en proposant une étude du monachisme dans toute l'Europe médiévale. En tant que publication annuelle interdisciplinaire et internationale, le journal envisage de couvrir l'histoire monastique médiévale dans tous ses aspects : l'archéologie et l'histoire architecturale, l'art, l'histoire, la littérature... La revue est publiée en anglais, mais des extraits dans la langue d'origine des auteurs pourront aussi y être inclus.

"This is an exciting undertaking that will undoubtedly open up new horizons of medieval monastic studies for English-speaking scholars."

Scott G. Bruce (University of Colorado) in:
