SERIES EDITOR

Violet Soen

(*KU Leuven, Early Modern History Department*)

Habsburg Worlds covers the vast conglomerates under the rule of Spanish and Austrian members of the Habsburg dynasty. The series focuses on the daily experiences, social networks, trade routes, religious motivations, legal traditions, intellectual currents and political cultures in these regions. It aims to foster an interdisciplinary and comparative approach necessary for studying the manifold languages, cultures, histories and traditions in Europe, the Americas, Africa and Asia once under Habsburg administration or overlordship.
