Almagest

International Journal for the History of Scientific Ideas

Print ISSN: 1792-2593 - Online ISSN: 2507-0371

The journal *Almagest* considers the history of science both as a history of ideas and as an activity that takes place in institutional and social context. In discussing the history of scientific ideas, the journal addresses the philosophical assumptions underpinning the ideas as well as the scientific developments themselves; it also addresses the influence of the historical context on these ideas.
