Techne

Media Performance Histories

Series Editors: Kurt Vanhoutte, Nele Wynants, Sabine Lenk, Frank Kessler

This sub-series focuses on the intersections between media developments and performative culture since the early nineteenth century. It explores the ways in which cultural change, new forms of knowledge, science, and technology were turned into modern spectacles that addressed different audiences and produced different modes of reception.

### **ALMAGEST, Journal for the Transnational History of Technoscience**

Editors: Maria Rentetzi, Efthymios Nicolaidis  
 Print ISSN: 1792-2593  
 Online ISSN: 2507-0371  
 Frequency: 2 issues/year

This journal will place a new emphasis on the rich histories of not just scientific ideas but also of experiments, people, objects, images, devices, instruments, and epistemic 'things' as they cross multiple national and/or institutional boundaries.

### **European Yearbook of the History of Psychology**

Editor: Mauro Antonelli  
 Print ISSN: 2295-5267  
 Online ISSN: 2507-0304  
 Frequency: 1 issue/year

This is a peer-reviewed international annual journal devoted to the history of psychology, and especially to the interconnection between historiographic survey and problems of epistemology. With an eye on the interdisciplinary nature of cultural studies, the journal pays special attention to those common areas between psychological research and its adjacent disciplines, in particular the human and the life sciences.
