BREPOLS

Brepols publishes world-class academic research, with a particular focus in history, archaeology, history of the arts, language and literature, and critical editions of source works. Our publications include the Brepols, Harvey Miller and Corpus Christianorum imprints, and we are home to world-leading academic databases via our BREPOLIS platform, as well as distributing print and e-books on behalf of our editorial partners. An entirely independent firm since our establishment in 1796, we play an active role in the scholarly community, running our own research centre in Turnhout (Centre "Traditio Litterarum Occidentalium" [CTLO]), and we abide by a strict code of ethics. We commit ourselves to producing high-quality, distinguished publications that will have a lasting scholarly impact, and whether we are producing traditional printed volumes or Open Access e-books, we guarantee that all our books will share the same stamp of quality.
